

I-Series+ Global EOS Notification

Tobii Dynavox I-Series+ – Global End of Sale Notification – November 13th, 2019.

Tobii Dynavox is today announcing the global End of Sale of the I-Series+ (I-12+ and I-15+) speech generating devices. As of December 13th, 2019, the I-Series+ will no longer be available for sale.

As always, Tobii Dynavox will continue to provide technical support and repair services for I-Series+ customers, and will also continue to honor any standard or current warranties or support agreements. Technical support and repair services will be available until December 13th, 2024, or 5 years after the device was originally purchased, whichever comes first.

As a courtesy to the valued customers of the I-Series+, Tobii Dynavox will do our best to fulfill current orders in process.

Follow-up on available products depend on the needs of the individual user, but in general the available options to consider are as follows:

- I-12+ to I-13: If you were already considering the I-12+ as your communication solution, you should consider the I-13 as an alternative
- I-15+ to I-16: If you were already considering the I-15+ as your communication solutions, you should consider the I-16 as an alternative.
